[Verse 1]

Your cross gave life, hope and salvation
Full restoration, promise for all
Your grace has made us part of Your kingdom
Living in freedom, heirs with Your Son

[Channel]

Jesus, Your name is a light, now Your redemption
draws in to our lives
Strong in battle, You overcame and the victory's ours,
now we sing

[Chorus]

Great, great, there is no one like our God
Great, great, there is no one like our God
Great, great, there is no one like our God
Great, great, there is no one like our God
[repeat]

[Verse 2]

Our walls fall down, strongholds are broken
Eternity's spoken, righteous we stand
The church we'll rise, declaring Your kingdom
Shouting Your freedom, the blood of the Lamb

[Channel]

Jesus, Your name is a light, now Your redemption
draws in to our lives
Strong in battle, You overcame and the victory's ours,
now we sing

[Chorus]

Great, great, there is no one like our God
Great, great, there is no one like our God
Great, great, there is no one like our God
Great, great, there is no one like our God
[repeat]

[Bridge]

You reign in all the earth
You reign victorious

Your power is limitless
There is no one like our God
[repeat]
