[Verse 1:]

Rendered speechless by Your beauty
Lord, I'm blown away
With everything that's in my heart
A million words could never say
All there is to say

[Chorus 1:]

You're more than just a song
You're more than just a whim
You're more than just a passing fantasy
You're my every day
You're my every way
You're my everything

[Verse 2:]

If I could see forever
In just one moment I would say
These today's are worth tomorrow
When I will see You face to face

[Chorus 2:]

I want to be with You
I need to be with You
I long to be with You precious King
So with every day
Lord in every way
You're my everything

[Bridge:]

You're my everything
You're my everything
You're my everything
You're my everything
Lord, You're my everything
You're all I need
You're all I breathe
You are my refuge
You're my everything
You're my every day
You're my every way

You're my everything
You're my every day
You're my every way
You're my everything
