"Mystery"

God eternal, here today,
Moving in unchanging ways
Far beyond the highest high,
Closer than can be defined
You're a mystery

Common human, clothed in spender
Unending strength, yet heart so tender
Born to die to free this slave,
The beauty of amazing grace
Is a mystery

I see You move in unseen ways,
Hear Your voice in the quiet place
I feel Your peace steal my breath away
You're simply a mystery

So unlovely still You love me,
Needing You, yet You pursue me
Loving me since time began,
Such love I'll never comprehend
To me the greatest mystery
Is You in love with me
