[Verse 1:]

I found a love that never lets me go.
I found a joy deeper than what I've known
I found a place for my soul to rest
And leave my burden and lose myself.

[Chorus 1:]

You are my sun and shield, beyond what I can feel
I put my trust in who You are

[Verse 2:]

You are the shelter from the pouring rain.
You are the freedom to begin again
You are the hope that will see me through.
I leave my all and I run to You

[Chorus 1:]

You are my sun and shield, beyond what I can feel
I put my trust in who You are

[Chorus 2:]

You are the strength in me, beyond what I can see
I put my trust in who You are

[Bridge:]

I will trust You, I will trust in You
[repeat]

[Chorus 1:]

You are my sun and shield, beyond what I can feel
I put my trust in who You are

[Chorus 2:]

You are the strength in me, beyond what I can see
I put my trust in who You are

[Bridge:]

I will trust You, I will trust in You
[repeat]
