[Verse 1]

We face the trials this world will wage
We pray for strength, to stand in faith
Through it all our God remains
We walk through sickness, hurt and pain
We pray for healing in Your name
Through it all our God remains

[Chorus]

Victorious, victorious
Jesus conquered the grave
And now He's alive
Inside of us

[Verse 2]

We face the darkness, brave the fight,
We stand with those who give their life
Through it all our King will reign
We walk through sorrow, grief and loss,
We see Your word turn weak to strong
Through it all our King will reign

[Chorus]

Victorious, victorious
Jesus conquered the grave
And now He's alive
Inside of us

[Chorus 2]

Victorious, victorious
We will stand for our King
The Savior who reigns
With Jesus we are,
Victorious

[Verse 3]

You faced the trials, You chose the cross
Defeating death, You saved the lost
And now we raise Your victory song

[Chorus]

Victorious, victorious
Jesus conquered the grave
And now He's alive
Inside of us

[Chorus 2]
Victorious, victorious
We will stand for our King
The Savior who reigns
With Jesus we are,
Victorious
