When the world says, You are not real,
All that we feel is just a lie
We will not move, we will stand strong
For Your Kingdom to be revealed
We don't need the world to come and tell us that we're
right
'Cause everything You've said will be displayed before
our eyes

We will see, Your Kingdom come to Earth
God and man restored, and live forevermore
We will see, the Heaven You have made
Everything You promised us, You promised it will be,
We will see

When the fight comes with a vengeance
To defeat us with twisted lies
We will not move, we will stand strong
For Your Kingdom to be revealed
We don't need the world to come and tell us that we're
right
'Cause everything You've said will be displayed before
our eyes

We will see, Your Kingdom come to Earth
God and man restored, and live forevermore
We will see, the Heaven You have made
Everything You promised us, You promised it will be,
We will see, we believe

We will see Your Kingdom come, we will see Your will
be done
On earth as it is done in Heaven
We will see Your Kingdom come, we will see Your will
be done
On earth as it is done in Heaven

We will see, Your Kingdom come to Earth
God and man restored, and live forevermore
We will see, the Heaven You have made
Everything You promised us, You promised it will be,

We will see, we believe
We will see, we believe
