[piano version]

Strange vibe  
Circles round  
Tries to comfort  
Buzzing sound  
Form an arrow  
Point at us  
We the target  
Are the one  
Drop yourself  
In the grass  
Breathe the air  
At last  
Hold on tight  
Don't fall down  
Breathe the air  
Through the water  
Form an arrow  
Point at us  
We the target  
Are the one  
Place your bet  
On the best  
The fastest horse  
You can find  
Drop yourself  
In the grass  
Breathe the air  
At last  
Hold on tight  
Don't fall down  
Breathe the air  
Through the water

[album version]

Strange vibe  
Circles round  
Tries to comfort  
Buzzing sounds  
Form an arrow

Point at us  
We the target  
Are the one  
Place your bet  
On the best  
The fastest source  
You can find

Drop yourself  
In the grass  
Breathe the air  
At last  
Hold on tight  
Don't fall down  
Breathe the air  
Through the water

Form an arrow  
Point at us  
Be the target  
Of the center  
Find the key  
Lock the door  
Close your eyes  
For encore

Drop yourself  
In the grass  
Breathe the air  
At last  
Hold on tight  
Don't you fall down  
Breathe the air  
Through the water

Find your peace  
Turn in sight  
You're the target  
You're the center  
Find the key  
Lock the door  
Close your eyes  
For encore

Drop yourself  
In the grass  
Breathe the air  
At last  
Hold on tight  
Don't you fall down  
Breathe the air

Through the water
