Baby, life's what you make it
Can't escape it
Baby, yesterday's favorite
Don't you hate it

Everything's all right
Everything's all right

Baby, life's what you make it
Don't backdate it
Baby, don't try to shake it
Beauty is naked

Everything's all right
Everything's all right

Baby, life's what you make it
Celebrate it
Anticipate it
Yesterday's faded
Nothing can change it
Life's what you make it

Everything's all right
Everything's all right
