All you need all you need  
All you need  
Is all is now

All you need all you need  
All you need  
Is not what you're getting

All you live all you give  
All you live  
Fits in a teardrop

If you come closer  
I'll show you how it feels

All you need all you need  
All you need  
Is all is now

All you live all you give  
All you live  
Fits in a teardrop

Give what's worth remembering  
Give what's worth dying  
Give it al  
Oh, back for more

You just give it all  
Oh, back for more

If you come closer  
I'll show you how it feels

High is high  
Low is low  
Love is gone

The best ones are the first to  
If you come closer  
I'll show you how it feels

High is high  
Low is low  
Love is gone
