"Reach The Sun"

I cannot stand this fucking land
Oh mama can't you understand
I need some fun, I need to run
Out of this place to reach the sun

Yeah to reach the sun
Yeah to reach the sun
Yeah to reach the sun
Yeah to reach the sun, sun, sun

This is the end, my only friend
You'll never ever understand
Give me a gun, I need some fun
I only need to reach the sun

Yeah to reach the sun
Yeah to reach the sun
Yeah to reach the sun
Yeah to reach the sun, sun, sun

Yeah to reach the sun
Yeah to reach the sun
Yeah to reach the sun
Yeah to reach the sun, sun, sun
