surask mane
ar vasara bebutu ar ziema
surask mane
ar naktis bebutu ar diena
o jei nenori sakyk tai kuo greiciau
gal dar pamatysi kas bus toliau
surask mane
surask mane
surask mane
surask mane
ateik greiciau
ar vasara bebutu ar ziema
ateik greiciau
ar naktis bebutu ar diena
o jei neateisi ir nesurasi tu manes
a? tave surasiu tavo sapnuose
surask mane
surask mane
surask mane
surask mane
surask mane
surask mane
surask mane
surask mane
surask mane
a? zinau tu mane surasi
a? zinau tu mane surasi
a? zinau tu mane surasi
a? zinau
