Well It ain't use to sit and wonder why, babe
If you don't know by now
An' it ain't no use to sit and wonder why, baby
It'll never do somehow
When your rooster crows at the break of dawn
Look out your window baby, I'll be gone
You're the reason I'll be trav'ling on
Don't think twice, it's all right

And It ain't no use in turning on your light, baby
That light I never knowed
An' it ain't no use in turning on your light, ba-baby
I'm on the dark side of the road
But Still I wish there was something you would do or
say
To try and make me change my mind and stay
We never did too much talking anyway
So don't think twice, it's all right

So there ain't no use in calling out my name, gal
Like you never done before
And It ain't no use in calling out my name, gal
I can't hear more
I'm a-thinking and a-wond'ring all the way down that
road
I once loved a woman, a child I'm told
I gave her my heart but she wanted my soul
Don't think twice, it's all right

So, so long honey, babe
Where I'm bound, I can't tell
Well goodbye's too good a word, baby
So I'll just say very fucking well
I ain't saying you treated me unkind
You could have done better, but I don't mind
You just kinda wasted my precious time
But don't think twice, it's all right
