Last Christmas

I gave you my heart

But the very next day you gave it away

This year, to save me from tears

I'll give it to someone special

Last Christmas I gave you my heart

But the very next day you gave it away

This year, to save me from tears

I'll give it to someone special

Once bitten and twice shy

I keep my distance

But just don't catch my eye

Tell me baby

Do you recognize me?

Well its been a year

It doesn't surprise me

I wrapped it up and sent it

With a note saying "I love you" - I meant it

Now I know what a fool I've been

But if you kissed me now

I know you'll fool me again

Last Christmas I gave you my heart

But the very next day you gave it away

This year, to save me from tears

I'll give it to someone special

Last Christmas I gave you my heart

But the very next day you gave it away

This year, to save me from tears

I'll give it to someone special

A crowded room - Friends with tired eyes

I'm hiding from you, and your soul of ice

I thought you were someone to rely on

Me - I guess I was a shoulder to cry on

Face on her lover

With a fire in his heart
A man undercover
But she tore me apart
Now I've found a real love
You'll never fool me again

Last Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Last Christmas I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special
