I am afraid
Of the book of blank pages
God, I'm afraid

It's my job to fill them
Too much responsibility
Yeah, need an interpreter
What am I trying to say?
I am the author, discovery
I am the author
I'm scared and on my own

I am afraid
Of the book of blank pages
God, I'm afraid
It's my job to fill them
Too much responsibility

I am the author, discovery
I am the author
God, too little, scared, and on my own,
Scared and on my own,
Scared and on my own,
Scared and on my own...

I am afraid
Of the book of blank pages
God, I'm afraid
