Don't blame me  
I tried to warn you  
Before I left last night  
This kind of thing  
Sneaks right upon you, before you realize  
You gotta watch what you say  
You might say what you really mean  
You better know how you really feel  
Love's a funny thing

Well didn't I tell it would end like this ?  
The stars above, the two of us  
Didn't I say that if we went too far  
We'd fall in love  
Didn't I ?  
Wasn't I the one that said that if we ever  
kissed ?  
I'd be hoping it would come to this  
Didn't I ?  
Didn't I ?

Didn't I tell you ?  
Something felt different  
When you walk into the room  
And when friends said  
We look so good together  
I could tell you thought so too  
On the nights we kissed so close  
Baby where else could it go ?  
Look at us lying here in each others arm  
I hate to say I told you so

But didn't I tell it would end like this ?  
The stars above, the two of us  
Didn't I say that if we went too far  
We'd fall in love  
Didn't I ?  
Wasn't I the one that said that if we ever  
kissed ?  
I'd be hoping it would come to this  
Didn't I ?  
Ooh, didn't I ?

And didn't I tell it would end like this ?  
The stars above, the two of us  
Didn't I say that if we went too far  
We'd fall in love  
Didn't I ?  
Wasn't I the one that said that if we ever  
kissed ?  
I'd be hoping it would come to this  
Didn't I ?  
Didn't I ?
