We agreed that it was over
The lines have all been drawn
The vows we made began to fade
But now they're gone
Put your picture in a shoebox
And my goldring in a drawer
I'm not supposed to love you anymore

Now Sherry say she's jealous
Of this freedom that I've found
If she were me she would be
Out on the town
And she says she can't imagine
What on earth I'm waiting for
I'm not suppose to love anymore

Oh I should care or wonder where
and how you are
But I can't hide this hurt inside my broken heart
I'm fighting back emotions that I've never fought
before
'Cause I'm not suppose to love you anymore

Now I'm writing you this letter
and it's killing me tonight
That I agreed when you belived
it wasn't right
And I couldn't sleep up on the bed
So I'm down here on the floor
Where I'm not supposed love you anymore

Oh I should care or wonder where
and how you are
But I can't hide this hurt inside my broken heart
I'm fighting back emotions that I've never fought
before
'Cause I'm not suppose to love you anymore

I'm fighting back emotions
That I've never fought before
'Cause I'm not suppose to love you anymore
