Original is what you are  
Hollywood or Shangri-La  
Will you ever make your mind up where?

I've seen  
Thunder roll through the sky  
Heaven burning in your eyes  
In my draems I know that you still care

Now won't somebody  
Show me the way  
Show me the way to your heart

Send me wise men, a book about love  
My breath has been taken, I've ben shaken  
You keep me waiting at the edge of the world  
on a rocky shoreline, like a wind run wild  
Oh, what can I do now, I won't you now  
You've got me looking through the eyes of a child

I don't now what to say or do  
All I know is that I need you  
Like the desert needs a rainy day

Now won't somebody  
Show me the way, show me the way to your heart

Send me wise men, a book about love  
My breath has been taken, I've ben shaken  
You keep me waiting at the edge of the world  
on a rocky shoreline, like a wind run wild  
Oh, what can I do now, I won't you now  
You've got me looking through the eyes of a child

Got me looking  
Got me looking, looking through the eyes of a child

Now won't somebody  
Show me the way, show me the way to your heart

Send me wise men, a book about love  
My breath has been taken, I've ben shaken

You keep me waiting at the edge of the world  
on a rocky shoreline, like a wind run wild  
Oh, what can I do now, I won't you now  
You've got me looking through the eyes of a child

You got me looking  
Looking through the eyes of a child
