Belief makes things real  
Makes things feel, feel alright  
Belief makes things true  
things like you, you and I

(chorus)

Tonight you arrested my mind  
When you came to my defense  
With a knife in the shape of your mouth  
In the form of your body  
With the wrath of a God  
Oh you stood by me

Belief builds from scratch  
Doesn't have to relax  
It doesn't need space  
Long live the Queen  
And I'll be the King  
In the colour of grace

(chorus)

Oh tonight you arrested my mind  
When you came to my defense  
With a knife in the shape of your mouth  
In the form of your body  
With the wrath of a God  
Oh you stood by me, Belief

I'm gonna yell it from the roof tops  
I'll wear a sign on my chest  
That's the least I can do, its the least I can do

(Chorus)

And I'll stand by my, belief  
oh I'll stand by my, belief
