Belief  
Makes things real  
Makes things feel  
Feel alright  
Belief  
Makes things true  
Things like you  
You and I  
Tonight, you arrested my mind  
When you came to my defense  
With a knife  
In the shape of your mouth  
In the form of your body  
With the wrath of a god  
Oh, you stood by me  
Belief  
Builds from scratch  
Doesn't have to relax  
It doesn't need space  
Long live the queen and I'll be the king  
In the collar of grace  
Tonight, you arrested my mind  
When you came to my defense  
With a knife  
In the shape of your mouth  
In the form of your body  
With the wrath of a god  
Oh, you stood by me  
Belief  
I'm going to yell it from the rooftops  
I'll wear a sign on my chest  
That's the least I can do  
It's the least I can do  
Tonight, you arrested my mind  
When you came to my defense  
With a knife  
In the shape of your mouth  
In the form of your body  
With the wrath of a god  
Oh, you stood by me  
Tonight, you arrested my mind  
When you came to my defense

With a knife  
In the shape of your mouth  
In the form of your body  
With the wrath of a god  
Oh, you stood by me  
And I'll stand by my  
Belief
