Staring at a maple leaf  
Leaning on the mother tree  
I said to myself we all lost touch

Your favorite fruit is chocolate covered cherries  
And seedless watermelon, oh  
Nothing from the ground is good enough

Body rise look what's over me

Oh chariot your golden waves  
Are walking down upon this face  
Oh chariot I'm singing out loud  
To guide me, give me your strength

Remember seeking moon's rebirth  
Rains made mirrors of the earth  
The sun was just yellow energy

There is a living promised land  
Even over fields of sand  
Seasons fill my mind and cover me

Bringing back more than a memory

Oh chariot your golden waves  
Are walking down upon this face  
Oh chariot I'm singing out loud

To guide me, give me your strength

You'll be my vacation away from this place  
You know what I want  
Holding that cup it's pouring over the sides  
Make me wanna spread my arms and fly

Oh chariot your golden waves  
Are walking down upon this face  
Oh chariot I'm singing out loud  
To guide me give me your strength

Give me your strength

Chariot  
Give me your strength  
Chariot  
Give me your strength  
Chariot  
Give me your strength  
Chariot

Give me your strength  
(Give it to me)  
Chariot  
Give me your strength  
(Give it to me)  
Chariot  
Give me your strength  
(Give it to me)  
Chariot

Give me your strength  
Oh chariot
