So many people gonna say that they want you,
To try to get you thinking they really care,
But there's nothing like the warmth of the one who has
put in the time and you know he's gonna be there,
Back your border when she knows someone crossed it,
Don't let nobody put you down, who you're with
Take the pain of protecting your name, from the crutch
to the cane to the high wire

I'm in love with a girl who knows me better,
Fell for the woman just when I met her,
Took my sweet time when i was bitter,
Someone understands,
And she knows how to treat a fella right,
Give me that feeling every night,
Wants to make love when i wanna fight,
Now someone understand me,
I'm in love with a girl(I'm in love with)
I'm in love with a girl(I'm in love with)

Out the many broken back doors and windows,
Through the valley of the love of the lost,
Is a hole that is cut through the souls falling down
from the thrones without needing any windows,
But you found inner peace for the moment,
The moment was over in time,
Then its gone the hit and run the dipless one has a
short life

I'm in love with a girl who knows me better,
Fell for the woman just when i met her,
Took my sweet time when i was bitter,

Someone understands,
And she knows how to treat it better right,
Give me that feeling every night,
Wants to make love when i wanna fight,
Now someone understand me,
I'm in love with a girl(I'm in love with)
I'm in love with a girl(I'm in love with)

Gonna tell you what you do to think you practice what

you preach,
Now i know there's nothing we can't reach,
'cause the heart can't erase once it finds a place to be
warm and welcome,
To be held in shelter

I'm in love with a girl who knows me better,
Fell for the woman just when I met her
Took my sweet time when I was bitter
Someone understands,
And she knows how to treat a fella right
Give me that feeling every night
Wants to make love when i wanna fight
Now someone understands me
I'm in love with a girl(I'm in love with)(x3)
Who knows me better
Wants to make love when I wanna fight
Now someone understand me
