You told me not to act like a man  
But that's what I am  
Yeah, you can't tame nature  
You begged me not to be such a bo  
But I'm not your toy  
You can go find someone else

Who cares?  
Who cares?  
Thinks she has to please you  
Who gives a damn?  
Whose only end is to appease you?

Remember when I ran through the halls  
Just hearing your call?  
It was never urgent.  
I recommend you find a machine  
To come to your screams  
When your passion is not crying wolf

Who cares?  
Who cares...  
Who thinks he has to please you?  
Who gives a damn...  
Whose only end is to appease you?

Mistake  
It's not my fault  
Mistake

All this time  
All this time  
All this time  
I was wishing I could finally say goodbye  
I got to stop myself right now  
Before I give in to you  
'Cause you're no good for me  
You know it, too  
You better leave and go find another

Who cares?

Who cares...  
Who thinks she has to please you?  
Who gives a damn...  
Whose only end is to appease you?

Mistake  
It's not my fault  
Mistake
