People say I'm the life of the party 'cause
I tell a joke or two
Although I might be laughin'
loud and hearty
Deep inside I'm blue

So take a good look at my face
You see my smile looks out of place
As you get closer, it's easy to trace
The tracks of my tears

Since you left me if you see me with another girl
Assuming like I'm havin' fun
Although she may be cute
She's just a substitute
Because, you're the perfect one

So take a good look at my face
You see my smile looks out of place
As you get closer, it's easy to trace
The tracks of my tears

I need you
I need you..
I need you
I need you..
I need you
I need you

I need you, need you, need you, need you, need you..
(fade)

Cupid, draw back your bow
And let your arrow go
Straight to my lovers heart, for me

Nobody but me

Cupid,

please hear my cry
And let your arrow fly
Straight to my lovers heart for me

The tracks of my tears
The tracks of my tears
The tracks of my tears
The tracks of my tears..
