She had a head like a god and when she spoke, it was
as if gold fell from her mouth. you can watch, watch me
crawl; up and down, down the wall. i feel icy, i feel cold.
see me change like a veno

Ke, it's no-one's fault, my mistake. i know the reason, i
know why. here comes, here comes, here comes that
sinking feeling. tear me apart, pull me down. here
comes, here comes, here comes that

Ng feeling. pay your cash for a new disease, kiss the
beast, fall in love with the greatest of ease. no! no! this
pig goes to slaughter, she does evil, turns wine into
water. i'd do anything, i

Control. my only friend the one desire, to feed the pain,
the burning fire. i hate my hands, my shaking hands,
shaking hands. so you watched, watched me crawl, you
saw me sink, sink and fall. i

Icy, so alone, so alone. you saw me change like a
venom snake, that's no one's fault, my mistake, i know
the reason, i know why, i know why. here comes, here
comes, here comes that sinking feeli

Ear me apart, pull me down. h

Ere comes, here comes, here comes that sinking
feeling. pay your cash for a new disease, kiss this
beast, fall in love with the greatest of these.
