Take it easy on yourself
Take it easy on yourself
The silent sounds of yesterday
The ghost of you dancing in the hallway

Lunar to base
Lets get this on
The kids have gone mad, they've been insane all
along.

Forever may you run

Don't deserve to get lost
Soon come the waves will stop
The still of the night
Silhouettes in the half light
May your struggles all be won

Lunar to base
Lets get this on
The kids have gone mad, they've been insane all
along.

Forever may you run
Forever may you...

I'm looking into the end
I've got nowhere left to go
I get so inbetween
Didn't make it to the disco
The treasures in bed
Been trying to find the king
Lunar he was busy
Jesus wasn't there

There is no other road
We'll have to wait before we go
So let the heat come in
Where you end
I begin

Forever may you run
