(You don't feel the pain)

Too much is not enough  
Nobody said this stuff makes any sense  
We're hooked again  
Point of no return  
See how the buildings burn  
Light up the night  
Such pretty sight

Adrenaline keeps me in the game  
Adrenaline you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes  
It takes adrenaline

(You don't feel the pain)

Sail through an empty night  
It's only you and I who understand  
There is no plan  
Get closer to the thrill  
Only time will kill  
It's in your eyes  
It's so alive

Adrenaline keeps me in the game  
Adrenaline you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes  
It takes adrenaline

Run through the speed of sound  
Everything slows you down  
And all colors that surrounds you  
Are bleeding to the walls  
Only thing you really need  
Just wait and find the speed  
And then you will achieve  
Escape velocity

Too much is not enough, Nobody gave it up,

I'm not the kind, to lay down and die!

Adrenaline keeps me in the game  
Adrenaline you don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes  
It takes adrenaline

Adrenaline, Screaming out your name  
Adrenaline, You don't even feel the pain  
Wilder than your wildest dreams  
When you're going to extremes  
It takes adrenaline  
(Adrenaline)

You don't even feel the pain  
You don't even feel the pain  
I'm going to extremes...  
There's nothing in between...  
You don't even feel the pain  
You don't even feel the pain  
I'm going to extremes  
(Always in the pain...  
I'm going to extremes...  
There's nothing in between...  
There's nothing in between...  
And I'm going to extremes...  
I'm going to extremes...  
There's nothing in between)  
You don't even feel the pain  
You don't even feel the pain
