Can I live? (Yeah)  
Can I live - can I live?  
Can I live - can I live? (Yeah)  
Can I live - can I live?  
Can I liivve?

[B Real]

Can I live, who willin to give me applause?  
Half note, gotta get mine and open the doors  
I want a FAT crib, on the hill, after my cause  
I need a fine woman, cuz I ain't fuckin wit yours  
Can I live? I wanna take care of my fam  
All the haters can't bait us, they don't know who I am  
You gonna learn soon baby, when my heat'll expand  
When I slay suckers everytime, I foil the plan  
Can I live? Why not? I'm makin it hot  
Like the rubber gets when I start rockin the spot  
DAMN! She gotta have it in the parkin lot  
Better come get her cuz she's still in my knot  
Can I live? Get your hand out of my pockets  
I'm buck-nutty, tear your arms out of the sockets  
People wanna talk no matter how much I rock it  
Pull my dick out, run about for niggas who jock it  
Can I live? -- Can I live?
