How far will you go?
How deep is your love?
Your bodies bruised and on fire
Cant stop the world
Cant stop desire
and I cant turn around
and I cant turn around

Somedays I can see the future
Somedays you seem so far
I dont know what I was thinking
Ive been gone to long
Ive been gone to long

Dont fall to pieces
Dont do up
or give down
Keep your eyes on the road
Cant stop the world
Cant stop the phones
and I cant turn around
But I cant turn around

Somedays I can see the future
Somedays you seem so far
I dont know wat I was thinking
Ive been gone to long

Somedays I can see the future
Somedays you seem so far
I dont know wat I was thinking

Ive been gone to long
Ive been gone...

The strange life
So random yeah
Its over you
I understand
What can I do to get to you?
ohhh
What can I do to get to you?

How far will you go?
How deep is your love?
Your bodies bruised and on fire
Cant stop the world
Cant stop desire

Somedays I can see the future
Somedays you seem so far
I dont know what I was thinking
Ive been gone to long

Somedays I can see the future
Somedays you seem so far
I dont know what I was thinking
Ive been gone to long
Ive been gone to long
Ive been gone to long
