Feels like I'm falling away
She's too dark for me
I listen to her constantly
Free from the need
My little life of luxury

Desire is a funny thing
Taking my place in the world
I try to find a piece of mind
Wasn't part of the head
Desire take my falls for me
Driving me back down to earth
I try to find a piece of mind
For what it is worth

She's too dark for me
I listen to her constantly
Free from the need
My little life of luxury

Angels in my muscles
Fighting the pleasure within
I take it in, I let it out
Won't you fly away?
Desire take my falls for me
Driving me back down to earth
I need to find a piece of mind
For what that it's worth

Falling (echo out)

Here it comes again
Feels like I'm falling (echo out)

Yeah, I'm a man of the world
I'm a man of the world
Haven't you heard?
I'm a man of the world
A man of the world
A man of the world
Haven't you heard?

I'm a man, oh I'm a man
I'm feeling round, oh, yeah, yeah, yeah
I'm a man of the world
I'm a man of the world
Haven't you heard?
Yeah, oh I've got everything I need
I've got everything I need
Everything I need to carry me through
Yes, I've got everything I need
Everything I need
Everything I need to carry me through
Desire take my falls
Desire, oh desire, take my falls for me
Oh desire, desire, desire take my falls for me
Oh yeah, yeah, yeah
