Take it easy on yourself  
Take it easy on yourself  
The silent sounds of yesterday  
The ghost of you dancing in the hallway

Lunar to base  
Lets get this on  
The kids have gone mad, they've been insane all  
along.

Forever may you run

Don't deserve to get lost  
Soon come the waves will stop  
The still of the night  
Silhouettes in the half light  
May your struggles all be won

Lunar to base  
Lets get this on  
The kids have gone mad, they've been insane all  
along.

Forever may you run  
Forever may you...

I'm looking into the end  
I've got nowhere left to go  
I get so inbetween  
Didn't make it to the disco  
The treasures in bed  
Been trying to find the king  
Lunar he was busy  
Jesus wasn't there

There is no other road  
We'll have to wait before we go  
So let the heat come in  
Where you end  
I begin

Forever may you run
