(Verse 1)

It's been to many days
It's been to many hours
I lost a couple of friends
But that doesn't count a flower

[Chorus]

So why don't you break up with me?
So why don't you sing me a song?
So why dose it have to be like this?
So why can't you just say the words I love you.

(Verse 2)

I'm starting to regret
The decision that I made
But I know it's the right thing
Just as God tells me

[Chours]

So why don't you break up with me?
So why don't you sing me a song?
So why dose it have to be like this?
So why can't you just say the words I love you.

(Bridge)

Opening: I understand if you don't care!
Bridge: I understand, I understand, I understand if
You don't care, I want you to know that I will always
Be, that I'll always be there.

[Chours x2]
