Sunrise,
Changes everything inside,
Turning all the good around,
Kicking beauty to the ground,
Like the circles round your eyes,
Silly things you cannot hide,
Silly things you cannot hide,
Life,
Never know who's side you're on,
Now your dancing by yourself,
See you when you shine,
Like the thimbles in your eyes,
How I wish they had never come,
How I wish they had never come,
All my life,
I've been waiting for your love,
All my time,
Body lying low,
But I know,
We're very different people,
So far away,
And there was no way to show,
How it was on the inside,

And I've seen you walk away,
You're not the only one,
With something to hide,
All my life,
I've been waiting for your love,
All my time,
Body lying low,
But I know,
We're very different people,
So far away,
