Hey you,

Dinosaur,

Kicked around since I was born,

Hey you,

Dinosaur,

No excuse means no way out now,

Dinosaur, you've done it before,

You cover up the cuts and bruises,

Dinosaur, you can't take it no more,

I was always yours but now I'm.....

Cool,

So cool,

Your love can't touch me now,

Cool,

So cool,

Your love can't touch me now,

Hey you,

Dinosaur,

You don't have to kick and scream now,

Hey you,

Beautiful,

Nothing sacred, nothing special,

Hey you,

Beautiful,

Happy now you've cracked me open?

Stay awake don't dream like me,

In a while now you will find you're.....

Cool,

So cool,

Your love can't touch me now,

Cool,

So cool,

Your love can't touch me now,

Now,

Will you turn again?

Will you face yourself tonight?

Hey you,

You're beautiful,

Happy now you've cracked me open?

Stay awake don't dream like me,

In a while now you will find you're.....

Cool,

So cool,

Your love can't touch me now,

Cool,

So cool,

Your love can't touch me now,

Will you turn again?

Will you face yourself tonight?
