Gangangan furueru gangangan kodou ga  
Autoroo na koudou ga motarasu shoujou wa  
Maji yabee gurai ni maji hai tenshon da  
Dandan to furueru nousui shigeki suru  
Miminari chouonba kikoeru genchou ga  
Saikou ni kare tenze coke no kouka

Dondon to shikai dondon akeruze  
Cucumber devil ga buraun kan ni toujou da  
Maji kiite kita warai ga toman ne  
Gangangan furueru gangangan kodou ga  
Yameran ne genjou ga karada ni kettei da  
Wakaccha iru ga sore ga coke no wana

Tanoshikerya ii sa upper's risky pogo dance  
Kimochi nozokerya ii sa upper's risky yeah

The impulse and dream of teens  
To run until the body breaks  
Do not stop...  
It consents with the reckless thing  
However, i continue wanting  
To ran until i die...

Feeling is lost little by little  
Surely singing even becomes impossible  
Feeling is lost little by little  
I am gazing at the heavenly direction

Ashita ga moshi naku natte mo koukai nante shinai sa  
Takusan no suteki na takaramono wo te ni iretanda  
kara
