Nightclub,

Everybody loves you

Nightclub,

You got to seem to be seen,

Nightclub,

Everybody wants you,

Nightclub,

For everyone's pleasure,
It's not right,

Everybody telling me they give me all my love,

It's not right,

Phoney revolutions and the pictures of the Viet con,

And you're wrong,

Living like Ibiza when you're looking for a millionaire,

And I'm right,

telling you that everything is alright,

It's alright,
Nightclub,

I really feel for you,

Nightclub,

You look so f***** beautiful,

Nightclub,

Can I take you home?

Nightclub,

You're the chaperone,
It's not right,

Everybody telling me they give me all my love,

It's not right,

Every little t-shirts and the pictures of the Viet con,

And it's wrong,

Looking like Ibiza with a millionaire in your sights,

And I'm right,

Telling me your feelings, it's alright

It's alright,
Oh, I don't wanna wait around forever,

I don't wanna be another night in there,

Spinning around,

Oh, I don't wanna reasoning forever,

I'll be on the table with dancing rainbow lights,

Let's do it,

Alright, alright, alright, alright,
It's not right,

Everybody telling me they give me all my love,

It's not right,

Phoney revolutions and the pictures of the Viet con,

And you're wrong,

For living like Ibiza when you're looking for a
millionaire,

And I'm right,

telling you that everything is alright,

It's alright,
