Hey baby, you shook my brain
Like "Manchurian Candidate"

Tonight, sweetheart, tonight

I got you runnin' through my veins
Matahari M.I.A.

Tonight, sweetheart, tonight
Tonight, sweetheart, tonight, outasight
Tonight, outasight
Tonight, outasight
Tonight, outasight

Gaza rocket to the moon
Space racin' in the morning dew

Tonight, sweetheart, tonight
Tonight, sweetheart, tonight, outasight
Tonight, outasight
Tonight, outasight
Tonight, outasight

Here we go!

Yeah!
Tonight, outasight
Tonight, outasight
Tonight, outasight
Tonight, outasight

Here we go
Tonight, baby
Tonight, baby
Tonight, baby!
