The idol full of themselves
Laughs from their high horse
Chu chu churu chuchu ran ran
Screaming with a coy voice

Businese love black hearted bitch
You wait money? Here take it
Chu chu churu chu chu chu fuck!
Let's go with survival of the weakest

Go ahead and look down on them
You're the one watching these idiots!

Ahhhhhhhhhhh!!!

I am a ruder 2times
If you want to laugh,
Go ahead and laugh

I am a ruder 2times
Kick up the road of misfortune

Come on everybody!!!

A maniac who likes, to hurt themselves
Don't pretend you're a psycho
It makes me sick to my stomache!

A stupid high brow joke
A metal flatted rusted mask
Chu chu churu chu chu ran ran
By the time you notice it's to late

Go ahead and look down on them
You're the one watching these idiots!

I am a ruder
Baby
Fuck you!!!

I am a ruder 2times

If you want to laugh,
Laugh till you die

I am a ruder 2times
Is it wrong to be stupid,
There are no rules

I am a ruder 2times
The greatest heresy,
Fuck off, hypocrities

I am a ruder 2times
I'm going berserk
Japanese ruder

Saaaaaaya
Yeah!!!
Yeah!!!
