Heavy levee mud on my catfish shoes
Slurpee purple dilated pupil blues
Golden palomino chino dogskin shirt
Book a look up under her sharkteeth skirt, now!

Sassy lippy Mississippi patron saint
Slip in hippy dippy dripping body paint
Beetle needle middle of a psycho groove
Rama lama gold teeth grinning spinning room, yeah!

And now my tongue is hanging on your doorstep
I'm pantin' and crying, ooh, like a dog (a-woo, yeah!)
Would you put your dirty dishes down
C'mon out and kiss this frog now
Turn this ugly duckling into a swan

Cop a look a moody sooty work a day
Laugh a gas jet pack giraffe come home to play
Rubby dubby fatty daddy like it like that, ooh
Blubber lover cover smothered baby got back, yeah!

And now my tongue is hanging on your doorstep
I'm pantin' and crying, ooh, like a dog (a-woo, yeah!)
Would you put your dirty dishes down
C'mon out and kiss this frog, yeah
Turn this ugly duckling into a swan

And now my tongue is hanging on your doorstep
I'm pantin' and crying, ooh, like a dog (a-woo, yeah!)
Would you put your dirty dishes down
C'mon out and kiss this frog, yeah
Turn this ugly duckling into a swan
