"The Invisible Wall"

Visit "[The Invisible Wall](#)" on MotoLyrics.com

Pig is that soaked in soup of crime
Is it a pain of the children whom you murdered
Hate yourself

In the maze without an end,
Why do you still breathe?

Gareki no shita de shinjitsu ga notauchimawaru e wa,
Naniyorimo fukai [The invisible wall],
Kodoku zouo shitto fuan,
Kyomu ni saita muhyoujou naniyorimo omoi [The
invisible wall]

Sanjou oou fujouri ni omoeta warau aozora

In the maze without an end,
Ayamachi ni obore,
In the maze without an end,
Why do you still breathe?

Sorrow made you, [x3]
In the bottom of the dark sea,
Sorrow made you, [x3]
Tsugunai tsuzuke and die.

Pig is that soaked in soup of crime

In the maze without an end, Hate yourself
Ayamachi ni obore,
In the maze without an end, Hate yourself
Why do you still breathe?

Sorrow made you, [x3]
In the bottom of the dark sea,
Sorrow made you, [x3]
Aijou mo shiranu kodoku na parade,
Sorrow made you, [x3]
In the bottom of the dark sea
Sorrow made you, [x3]
Tsugunai tsuzuke and die.

Sorrow made you
In the maze without an end...
Why do you still breathe?
