Transmission, am I coming through?

Transmission, I've got nothing to lose,

Cos' I know who you are and I know what you're waiting
for,

Transmission, on a teenage high,

And the black eyed girl, is she dead or alive?

Cos' I know what you are and I know what you're going
through,

I wanna get high on you,

Turning me on for you,

I promise the sun and the moon,

I'm gonna get high with you,
Transmission, are you running blind?

You're a dead end girl on the edge of the night,

And the lights don't ever seem to reach your eyes.
Transmission, at the end of the line,

And you don't know how, and you don't ask why,

Don't need a prison wall to know you're free,
I wanna get high on you,

Turning me on for you,

I promise the sun and the moon,

I'm gonna get high with you,
I wanna get high on you,

Turning me on for you,

I promise the sun and the moon,

I'm gonna get high with you,
I'm gonna get high on you,

Turning me on for you,

I promise the sun and the moon,

I'm gonna get high with you,
