You're just too good to be true
I can't take my eyes off of you
You'd be like heaven to touch
Oh, I wanna hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
I can't take my eyes off of you

I love you baby, and if it's quite all right
I need you baby, you warm a lonely night
I love you baby. Trust in me when I say
I love you baby, don't let me down I pray
I love you baby, now that I found you, stay
And let me love you, baby let me love you

You're just too good to be true
I can't take my eyes off of you
You'd be like heaven to touch
Oh, I wanna hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
I can't take my eyes off of you

I love you baby, and if it's quite all right
I need you baby, you warm a lonely night
I love you baby. Trust in me when I say
I love you baby, and if it's quite all right
I need you baby, you warm a lonely night
I love you baby. Trust in me when I say

Bada bada bada dadada da
Bada bada bada dadada da
Bada bada bada dadada da

I love you baby, and if it's quite all right
I need you baby, you warm a lonely night
I love you baby. Trust in me when I say
I love you baby, and if it's quite all right
I need you baby, you warm a lonely night
I love you baby. Trust in me when I say
