

## Gaynor Gloria "First Be A Woman"

Visit "[First Be A Woman](#)" on [MotoLyrics.com](http://MotoLyrics.com)

You can go to Harvard, you can be a pilot  
You can be an astronaut but first, be a woman, ooh  
ooh...

When you're walking down the street, show your  
feminine appeal  
Even though you're wearing jeans,, it's important to be  
real  
You were born to be yourself, so no matter how you  
feel  
If you want to impress the opposite sex  
When he takes you for a ride, let him open you the door  
When he asks you for a dance, let him lead you to the  
floor  
When he kisses you good night, you just leave him  
wanting more  
You can do all you can, say I am what I am

But first be a woman, first be a woman, first be a  
woman... oh oh oh oh

When he takes you out to dine, don't you end up in his  
bed?  
Wedding bells will ring in time, make him dream of you  
instead  
And his passion can be like all the stories that you've  
read  
He can be Romeo if you act like Juliet  
Nowadays it ends too soon even though it's just begun  
You can take him to the moon, he'll leave with the  
morning sun  
So take a lesson from the past, make him want and  
make him run  
You can do all you can, say I am what I am

But first be a woman, first be a woman, first be a  
woman... oh oh oh oh  
First be a woman, first be a woman, first be a woman...  
oh, be a woman

You can't be a quarterback, he can't wear a pretty  
dress

You cannot be Superman and he's not a shy princess  
So why try to be alike, when it's only self defense?  
You've got grace, he's got style and together you'll  
rhyme  
So remember to be true to the legend that you are  
All the feminine in you has worked miracles so far  
So head up high and don't be shy, you can reach for  
any star  
You can do all you can, say I am what I am

But first be a woman, first be a woman, first be a  
woman... oh oh oh oh  
First be a woman, first be a woman, first be a woman...  
Be a woman, be a woman...

You can be an executive, hhh! You can drive a train  
You can be a detective...
