I'm the magic pimp  
My shoes are six feet tall  
Pullin' bitches from my britches  
For my magic pimp ball  
Nanana nanana nanana...

It's your duty to your country  
Your duty to the world  
So get up to your ankles, man  
You better get to work  
Nanana nanana nanana...

Get 'em down  
Get 'em down  
Get 'em down

Get 'em down  
Get 'em down  
Get 'em down

The buckles hit the pavement  
In the "Show Me" state  
For the actress with a mattress  
Shot on Super 8  
Nanana nanana nanana...

Ladies, in this corner  
Master Sugar Cane  
Bailing out the water  
From the devil's rain  
Nanana nanana nanana...

Get 'em down  
Get 'em down  
Get 'em down

Let me finish my story now

So hump and pump until your reputations are stained  
'Cause we're all going out in a burning ball of flames  
Nanana nanana nanana...
