Why did you...
Treat me bad
Like a son of a bitch
I been had now
I'm a cock...
Sucker for your moves
And you pin me down with your shoes

Come and rescue me from the sand
Get it on with a mystery man
A stranger can be such a rush
Sex and the drifter - got the touch

How long can...
A bad thing last
I rub your body like a cat, now
Like a blind...
Man reading braille
I'll gladly do time in your bad lovin' jail
Like a mule...
Kicking at your stall
My mattress is in your hall, now

Come and rescue me from the sand
Get it on with a mystery man
A stranger can be such a rush
Sex and the drifter - got the touch

Double life...
My old lady's at home
I can't love or let her go now
Get the phone...
Pick up the receiver
I'm your long-distance deceiver

Come and rescue me from the sand
Get it on with a mystery man
A stranger can be such a rush
Sex and the drifter
Sex and the drifter
Sex and the drifter - got the touch
