We're walking like in a Dolce Vita  
This time we've got it right  
We're living like in a Dolce Vita  
Mmm we gonna dream tonight

We're dancing like in a Dolce Vita  
With lights and music on  
Our love is made in the Dolce Vita  
Nobody else than you

It's our last night  
Together with our love again  
Another light  
Before we're thrown in darkness  
Say you'll never leave me now  
Say you're gonna love me now

We've made it down in the Dolce Vita  
Wipe all your fears away  
We live it like in the Dolce Vita

A game of yesterday

I'm so alone in the Dolce Vita  
Oh baby telephone  
This magic's gone in the Dolce Vita  
Nobody else than you

It's our last night  
Together with our love again  
Another light  
Before we're thrown in darkness  
Say you'll never leave me now  
Say you're gonna love me

It's our last night  
Together with our love again  
Another light  
Before we're thrown in darkness  
Say you'll never leave me now  
Say you're gonna love me now
