I send this song to the honest pink monkey  
Amaya kasareta sono tsura no kawa kono ba de  
I tear it off

Dance until you die  
Ungainly boy  
You are too different from me  
If you want stimulation  
Oh, I give it

This is not hatred for you  
Will it be some kind of mistakes to be overconfident?

Answer mother motherfucker

You are clever monkey (different from me)  
You are clever monkey (ungainly boy)  
You are clever monkey (dance until you die)  
You are clever monkey (know yourself)
