The reverse side of beauty
It dyed by beloved filth
Sexual disgrace
The reverse side of beauty
It dyed by beloved filth
Ooh woah ooh yeah!

my mind which falls
(wahh)

Your seed and my seed never mixes
(wahh)
The connection of this blood is eternal
(wahh)
You cannot finish suppressing the desire
(wahh)
To true daughter...(sexual disgrace)

(woah woah ooh ooh yeah)

chorus:
Closet mind is distorted instability
Please release me before breaking

How long...(x3)
in humiliation
The countless fatal scar was born

Sexual Disgrace!

Prohibited bud...
Reckless driving cucumber...
The kin collapses...
Near relatives on death...
The smell of a cigarette smell breath & shit
Moment that bitter white jam is mixed
Inside of a brain caused an error
and goes mad by the sweet bug

(woah woah ooh ooh (growl))

(wahh)
Your seed and my seed never mixes
(wahh)
The connection of this blood is eternal
(wahh)
You cannot finish suppressing the desire
(wahh)
To true daughter...(sexual disgrace)

kumi wo kawasu
Chii nansa kitto te wo
Dozou kojyouwo
Kuremisoma wa

(woah woah ooh ooh yea)

Closet mind is distorted instability
Please release me before breaking
How long...(x3)
in humiliation
The countless fatal scar was born

Closet mind is distorted instability
Please release me before breaking
So long...(x3)
in humiliation
The final art is your dead face!

Dad which fell to the trap.
