'All is true... and all is a lie...' Shut up mother fucker!

Show your brain which I cannot understand.
Kannon men no DAD mousou no kousou tsuneni bousou
Stop the bad joke.

You are a romancer!

Please do not confuse my band by a lie anymore.
You are too awkward a man. Leave here before a ditch
deepens...

I am a cause of your headache. And this is your song.

We are the Cause of Your Headache! It undermines an
empty head.
We are the Cause of Your Headache! Leave here
before a ditch deepens.

Show your brain which I cannot understand.
Kannon men no DAD mousou no kousou tsuneni bousou

Stop the bad joke.

Get out! Dear dick man!
