vision no fuhai  
here is a hell on earth  
i felt a chill  
the disappointment that increases  
[tick-tack...]  
nobody can rewind time  
[tick-tack...]  
don't look away  
suicide circus

aged hatred and young cold-blooded mind  
reason of the chill  
soko ni ugomeku poverty  
[tick-tack...]  
nobody can rewind time  
[tick-tack...]  
tobichitta merciless scene

musekaeru you na namanamashisa ni hito wa hikare  
sono fureta te ni fuchaku shita kyoufu mo yagate wa  
usure  
metamorphosis

all is paralyzed  
chain reaction  
sympathizers with a similar pain

sukuwarenu mirai wo kakaekomi fumihazushita sono  
yowasa mo  
fusagikomi miushinau jibun wo tachi shitte hoshikatta  
sono kodoku mo  
fui ni me no mae wo fusaida kunou no hibi ni  
kakechigau sono yuuutsu mo  
aijou yue no kotoba ni zouo daki oshimi naku  
sarakedasu kyouki mo

mou modorenai karamari sugite  
even death becomes the prey

heartless day  
bottom of the abyss  
suicide circus

why is it repeated?  
suicide circus  
[tick-tack...]  
nobody can rewind time  
[tick-tack...]  
donâ€™t look away  
suicide circus

justice died  
bottom of the abyss  
suicide circus  
why is it repeated?  
suicide circus
