I know last days

By bomb of autocracy
The smile of people dies
By Dirty hand of autocracy
The black sphere is turning

Yarareru mae ni uchinuku no ka
Sore wo yatsu wa seigi to yobu no ka
Onore ni kakaru chi onore de nuguezu
A sacrifice is countless
Nageku mono ni sukui no te dasazu
Kahogo ni nemuri gizen to koubi
Yatsu wa orokana heiwa no shouchou
A sacrifice is countless

Honor... glory
Komaku ni nokoru bakugekion ga
Nemurenu yoru wo kyofushin ni kaeta
Musubu te to te tsune ni koushou
Shaku ni sawareba tsukkomu ze Taepodong
Hari suteta [A]nti-[B]allistic[M]issile [T]rity
Nidoto gomen da Nine eleven
But naku no wa shimin dake sa
Oubou na shudan ga maneku wa zetsubou
Despair

Taihai shita chi yakekogeta kage
Gisei no sakebi wa todomanu
Furisosogu hai ubawareta asu ni
Namida sae nagasanu kuse ni

Worthless war continues...
KBK sleep on a bed...
Worthless war continues...
Commit suicide and compensate people.

Taihai shita chi mada nokoru
Egureta kizu wa muimi de
Kuroi ame ni nureta kioku ga
Kachi naki arasoi wo umu dake

Worthless war continues...
KBK sleep on a bed...
Worthless war continues...
Commit suicide and compensate people.
